Join expert tutor April Chung (Chapman) on a silk painting journey learning new and traditional methods.

Week One: Learning all the techniques of using silk dyes on 100% pure silk (8mm Habutai) inclusive of scrunching and tie-dye. Demonstrations to be followed by practical work. and "homework": Pre-gutta the silk stretched on the embroidery frame.

Week Two: Follow-up on "homework", practical application of silk dyes in their designs. More demonstrations on the round embroidery frame. Learn to stretch silk on adjustable long wooden frame, and using it to achieve a desired pattern/design. Students can use picture frames or make their own (instructions given). Homework: Prepare a specific design on tracing paper.

Week Three: Techniques learnt will now be used to paint silk scarves (square, 55cm by 55 cm and long and narrow, 120 cm by 42 cm). Learn to use other silk painting material, such as coloured gutta to enhance designs. Homework: Steam-fix scarves at home.

Week Four: Follow up work done in Week Three. Trouble-shooting and appraisal on work done thus far. Demonstrate techniques used in picture-making, a) A simple landscape b) A floral arrangement.

The kit contains all the supplies you will need for silk painting and will enable you to try an amazing variety of techniques
