

Code of Conduct

February 2022

The Artists' Society of Canberra (ASOC) is a charity and a not-for-profit organization that aims to encourage practice in and appreciation of the visual arts in the Australian Capital Territory and the National Capital Region.

Our goal is to be a resilient organization that provides opportunities for learning through quality and engaging art activities to artists and those interested in art practice irrespective of their background or ability.

We aim to be a supportive and vibrant arts community and be a welcoming, inclusive and friendly society that is kind, considerate and courteous.

We recognise that many of the operations of the society rely on the work and input of volunteers and acknowledge that they give freely of their time.

Members agree to abide by the ASOC Constitution, any relevant legislative requirements and any other policies and procedures that have been established by the ASOC Management Committee operating in accordance with these requirements.

We acknowledge that the Ngunnawal and Kambri people are the Traditional Custodians of the land on which we meet and practise and we pay our respects to their Elders past, present and emerging.
